Received fax for variance request to encroach  
SIDA for pool on 2/11/04. Lft msg for  
w/ MP Pools Rep that a plan needed to ~~be~~  
accompany request to show pool loc. ~~It~~ If pool  
is placed in the rear of the house, repl. area  
may be extremely compromised, SIDA must be

to be relocated. Still waiting for sketch showing  
proposed pool location. See note dated 9/23/03

CONCLUSION: INSUFF AREA FOR POOL (PER)

9/23/03

Discussion w/ MD Pools Rep that area is extremely limited for SDA expansion. May need to relocate 2 existing trenches, but may not have a 10,000 ft<sup>2</sup> SDA. Possible perc app in future to expand area + add trenches.

Mr. John Boris  
Environmental Health  
Howard County, MD.

To Mr. Boris

I Richard Hart Located at 13728 Bold Venture Drive, Howard County Lot 22. I'm requesting  
A variance to install a inground swimming pool from the nearest septic system component. The  
Following is a list of reasons for the encouragement.

- 1) I have relocation the septic line to back of the back of the 3 existing lines as indicated by you.
- 2) I know of your concern of the vinyl liner pools due to chlorine leaking into the septic system  
and raw sewage leaking into the pool
- 3) Since we are building an inground concrete pool that will not leak , this is not possible.

Taking into consideration the facts stated above. It is our hope that this variance will be granted.

Sincerely,

Richard Hart
