Mr. Myers:

This letter is in response to building permit B14002369. Our office did not receive a set of floor plans and needs to confirm if the garage has plumbing and a second floor.

Building permit approval is being withheld until confirmation is forwarded to the Health Department. I may be reached at (410) 313-1786 if you would like to discuss the project.

Respectfully,

*Hank Oswald*
