Dye Test

Ref CM FREEMAN Property

Corner of Daisy Rd & Rt 144

See Map on opp side

10/27/76 I visited Snyder's Piano shop at corner of Daisy Rd & Rt 144. Recently we ran perc test for Dwellings next to shop. The whole property is to be subdivided. We were not sure at time of perc whether or not Snyder's Piano Shop had toilet. No perc tests run for Repair area for Snyder's Piano shop although percs were run for houses next door.

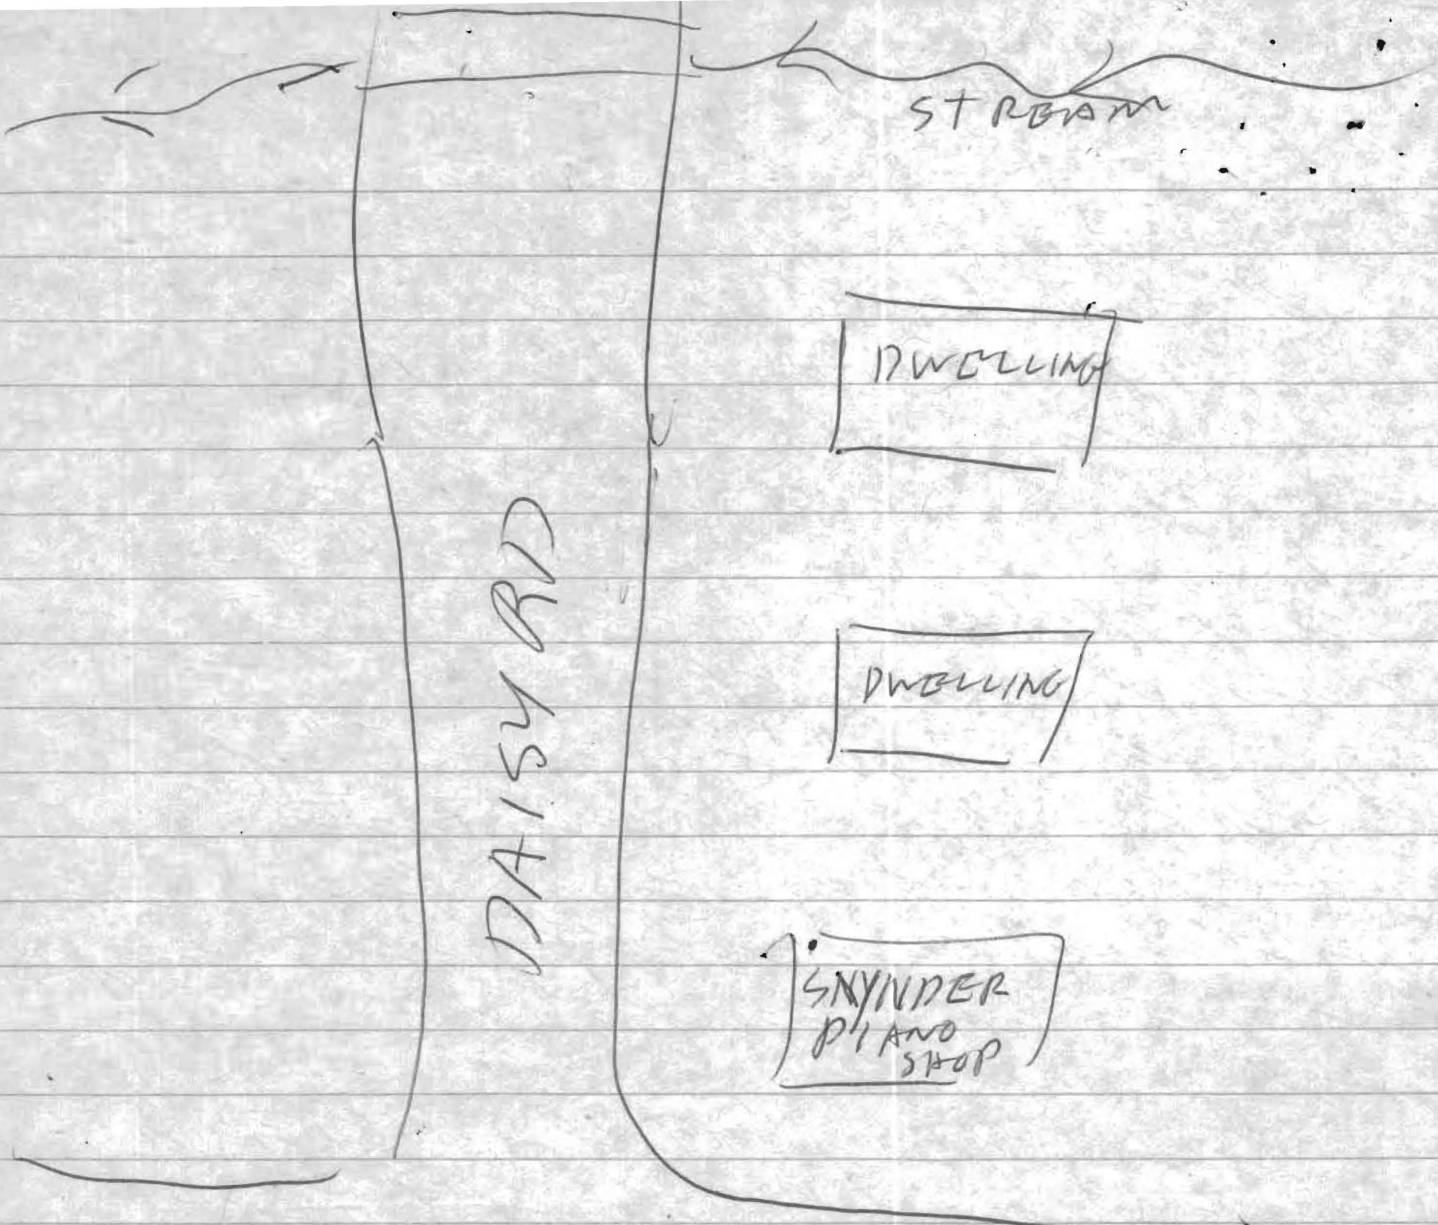

An employe showed me a toilet in the building but he did not know where the septic was. I started a dye test because I suspected the sewerage was piped to a stream a few hundred ft. away on Daisy Rd.

I visited the house next to Snyder's Piano shop & started a dye test also. I suspect that sewerage from that house is piped to same stream on Daisy Rd.

I returned later & checked Stream Nadyeget
