Submitted 10/28/05

Dear Mr. Davis:

The above-referenced lot was to be perc-tested on 11/22/05 with Brian Baker. That test date was cancelled on 11/21/05 at the request of the property owner, as a result of an alternative plan worked out with the engineer.

I was informed by the reception desk staff person to forward perc fee refund requests to your attention.

Please have the \$506.00 perc application fee refunded to the property owner, as follows:

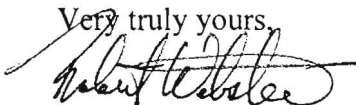

Kennard Warfield, Jr.
14451 Triadelphia Road
Glenelg, MD 21737

A copy of the Health Department receipt, dated 10/28/05, is attached for your use.

I may be reached at 443-367-0422 ext. 219, should you have a question or require additional information.

Thank you for your assistance with this matter.

Very truly yours,

Robert Webster

Re: Refund for Kennard Warfield, Jr., 14451 Triadelphia Road

On October 28, 2005, we received a check for \$506.00 from Kennard Warfield, Jr. Properties for a percolation testing application. The receipt number was 523567. A copy of the receipt is attached. Subsequent to paying for the permit, the owner worked out an alternative plan with his engineer, and thus he did not need a percolation test. Therefore, Robert Webster requested a refund on behalf of his client, Kennard Warfield. Please send the refund to Kennard Warfield, Jr., 14451 Triadelphia Road, Glenelg, MD 21737.

Thank you for your assistance in this matter.
