**RE: Building Permit B14002028
14874 Meriwether Drive
Glenelg, MD 21737**

Dear Mr. Mudd:

This letter is in response to building permit # B14002028. The application describes the construction of a single family building. Upon review of the application, the submittal did not include a copy of the floor plans. Please note the approved septic system is designed for a 4 bedroom house and floor plans are needed to confirm this.

At this time, the building permit application has been placed on hold until a revised plan has been received and reviewed for these requirements. Should any questions or concerns arise, please contact me directly at (410) 313 – 1786 or hoswald@howardcountymd.gov.

Sincerely,

Hank Oswald
