(Demolition of Existing House)

---

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

The well, which previously served the existing dwelling, has been disconnected and abandoned/sealed. Abandonment form submitted by licensed well driller. The septic system tank that was currently being used on the above aforementioned property, has been properly abandoned; i.e. pumped, collapsed and filled in with clean fill. This may be completed during the demolition phase if not already completed.

If any other wells or septic systems are found during site work, please notify this office immediately.

Land Design and Development is going to demolish the above home. The well and septic has been abandoned. Attached you will find a letter from Associated Excavators Contractors dated January 11, 2010 showing the well and septic has been abandoned. Could you please fax me your letter as soon as possible so I can file the permit!

Your department's letter is the only letter needed to file this permit. I would greatly appreciate it.

Please issue a demo letter. This letter can be faxed to 443-367-0420. If there are any issues with issuing this letter, please call Debbie Zile at 443-367-0422 ext. 243.

Thank you for all your help!
