RE: 9725 Old Annapolis Road
Map 30, Grid 2, Parcel 86
(Demolition of house on property)

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

One pit well and one drilled well (tags unknown), that supplied water for the existing houses have been disconnected, abandoned and sealed. This process was completed by Robert Copsey (MSD 161) on 1/30/2014. Abandonment reports have been received by this office.

Two existing dry wells on these properties have been abandoned. Hatfield's Equipment completed the demolition of the septic components.

According to Utility records, the new subdivision will be served by public water and sewer under contract #24-4764-D.

IF ANY OTHER WELLS OR SEPTIC SYSTEMS ARE FOUND ON THE PROPERTY DURING DEMOLITION, NOTIFY THIS OFFICE IMMEDIATELY.
