The County Executive has received a request from Mr. D.W. Denzler to inspect the public records relating to the construction of a garage located at 7037 Mink Hollow Road. The specific information requested is attached. While it is unlikely that many of you have any records pertaining to that subject, we normally contact all department heads when the public records request is sent to the County Executive. If you do have documents related to this, please let me know.

Our deadline to make the public files available is July 6, 2005. DILP, DPZ (at least the Division of Public Service and Zoning Administration) and the Construction Inspection Division of DPW have already responded to this request, therefore, you need not reply to this memorandum.

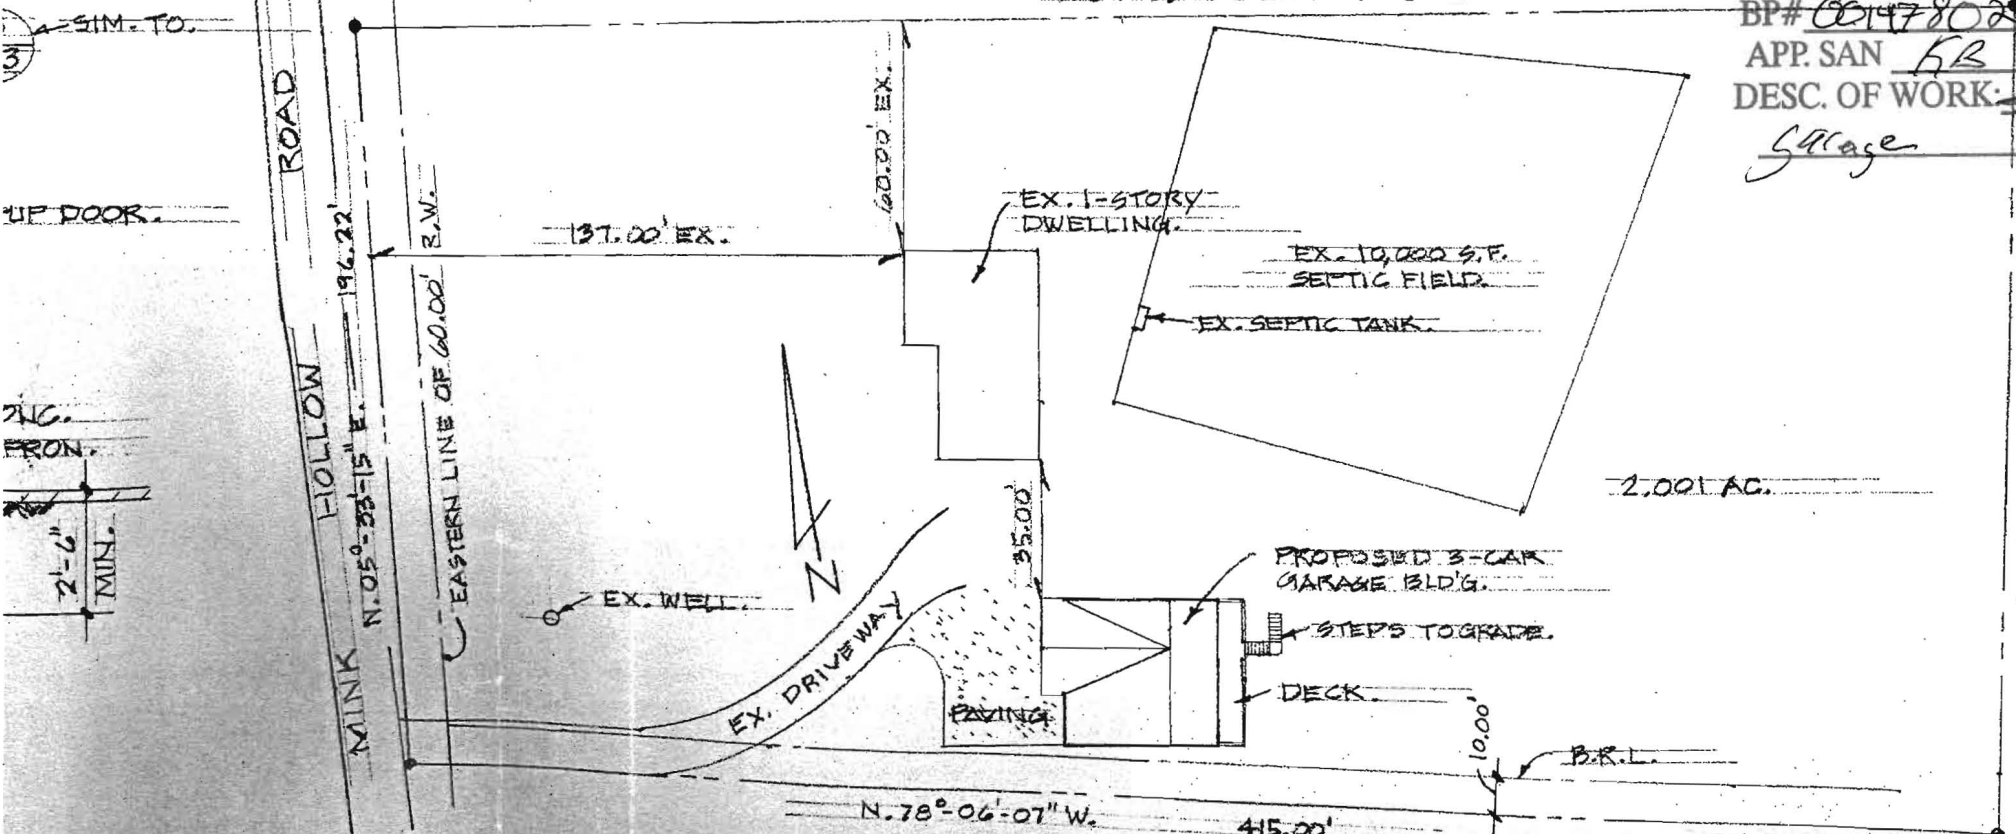

If anyone has any questions on this, please let me know.
