RE: Refund, receipt # 60532, refunding \$495 for a perc test application at 13675 Nichols Drive

DATE: March 23, 2017

Please submit the paperwork for a refund of \$495 to Errol Watson who paid \$506 for a perc test application at 13675 Nichols Drive as part of receipt #60532.

Mr. Watson applied for the perc test at the above referenced address; however, a site visit by Health Department staff revealed that the site was not suitable for onsite sewage disposal and testing would be futile. The \$11 plan review fee will be retained to cover the cost of the plan review and site visit. No perc testing was conducted as part of the application.
