(Demolition of existing structure, rebuild new SFD)

**This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.**

The current drilled well that was utilized for the above referenced property was located and sealed. This task was completed by Allen Compton (MSD 009) on 2/27/2017. The well abandonment report was submitted to our office record of completion.

The current septic system was pumped and collapsed by Fogle's Septic. A letter of confirmation that this task was completed was submitted to our office for record of completion.

Current utility records show this parcel does not have access to public utilities. Future development on this property will require you to install the new well and/or septic system per Health Department requirements.

**IF ANY WELL OR SEPTIC COMPONENTS ARE FOUND DURING SITE WORK, YOU MUST NOTIFY THIS OFFICE IMMEDIATELY!!**
