NOTES:

- (a) This plot does not provide for the accurate identification of property boundary lines, but this identification may not be required for the transfer of title or securing financing or refinancing.
- (b) This plot is of benefit to a consumer only insofar as it is required by a lender or a title insurance company or its agent in connection with contemplated transfer, financing or refinancing.
- (c) This plot is not to be relied upon for the establishment or location of fences, poles, posts, buildings or other existing or future improvements.
- (d) In cases where this document, the Surveyor's signature is false, any other color of this document means that you do not have an original document, and the contents can not be verified.
- (e) The accuracy of the apparent building setback distances shown herein is 5.0'±.
- (f) This Property lies within an unincorporated non-participating community in the FEMA Flood Insurance Rate Map Program, and there is no flood map data available for this property. Non-printed Flood No. 2409440000E.
- (g) NOTE: Flood zone lines are approximations. A flood elevation survey will be required to accurately establish the limits of flood zones that may affect this property.
- (h) Unless specifically shown herein, there are no encroachments either way across property lines according to a visual inspection of the property.
- (i) This Plot has been prepared by and/or under the responsible charge of the herein signed Licensed Surveyor.
- (j) The property line bearings and distances shown herein were taken from the recorded deed, M.D.R. 6258/727, and do not reflect the results of or on the ground boundary survey. This property is also subject to all terms and conditions expressed within the deeds forming the chain of title to this property.
- (k) All structures shown herein are assumed to be permanently affixed to the ground unless otherwise noted.
- (l) "TEMP" indicates that the structure is temporarily erected.
- (m) "JUMP" indicates that it is unclear to determine the existence or non-existence of a Foundation for that structure.
- (n) All fences on or near the property lines should be verified by a boundary survey.
