RE: 10600 Shaker Drive
(Demolition of Existing House)

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

The well and septic systems, which previously served the existing dwellings, have been properly disconnected and abandoned/sealed and documentation provided. The septic tank has been pumped and will be collapsed and filled in once the house is demolished.

If any other wells or septic systems are found during site work, please notify this office immediately.

Dear BRIAN BAKER,

ARC Construction Services Inc. has applied for a demolition permit for the property located at 10600 Shaker Drive, Columbia MD 21046. All utilities have been disconnected, and the well has been abandoned, capped and filled in. The Septic Tank has been pumped completely, and also the daywell. We will fill the septic tank in and crush the bottom at the time of the house demolition. I have all valid paperwork for your inspection if you need to see it. Thank You,

Danny Sica
