RE: Percolation Testing
Ciufolo Property
3606 Route 94
Tax Map 12 Parcel 33

Dear Mr. and Mrs. Ciufolo:

Percolation testing conducted February 23, 1989 on the above referenced property revealed unsatisfactory soil conditions. A shallow water table prevented approval of any of the tested locations.

If you have any questions regarding this matter, please feel free to contact me at the above address or by calling 461-9933.

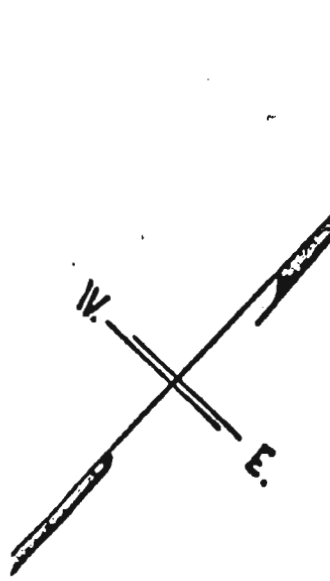

Very truly yours,

A handwritten signature in cursive script that reads "Craig Williams".

Craig Williams, Director
Water and Sewerage Program
