**Maura J. Rossman, M.D., Health Officer**

**MEMORANDUM**

*Sent via email to tkeane@trinityhomes.com*

**TO:** Tim Keane

**FROM:** **Susan Thomas**  
Environmental Health Specialist  
Well & Septic Program  
Bureau of Environmental Health

**DATE:** January 13, 2020 (ST)

**RE:** **9438 Old Scaggsville Rd**  
Laurel, MD 20723  
(Demolition of existing structure, rebuild TH)

---

**This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.**

The existing well was located and sealed by Fogles on 12/19/19. An abandonment report was received by our office and approved for completion on 12/24/19.

A site inspection was conducted on the property on 1/10/20 to look for septic features. No septic features were identified during the inspection.

County records show that the property was connected to the public water and sewer system on 1/27/1983. Per the Howard County Bureau of Utilities, the existing water and sewer will need to be abandoned and upgraded for a new house to be built. Future development on this property will require connection to public water and sewer per Howard County Code.

**IF ANY WELL OR SEPTIC COMPONENTS ARE FOUND DURING SITE WORK, YOU MUST NOTIFY THIS OFFICE IMMEDIATELY!!**
