RE: 15015 Old Frederick Rd
Woodbine, MD 21797
(Demolition of existing structure, new home construction)

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

A site inspection was made on 06/23/2020 to confirm works done.

The current well, HO-95-1160, was drilled on 7/16/2007 by Joseph L. Mayne and never connected to any dwelling. After construction this well may be connected to the new home. An abandonment report for the old pit well was received by our office and approved for completion on 7/25/2007.

The existing septic system (P27698/A23252; 1978) was abandoned and sealed in accordance with COMAR and HOCO Codes by Fogle's Septic Clean on 3/27/2011.

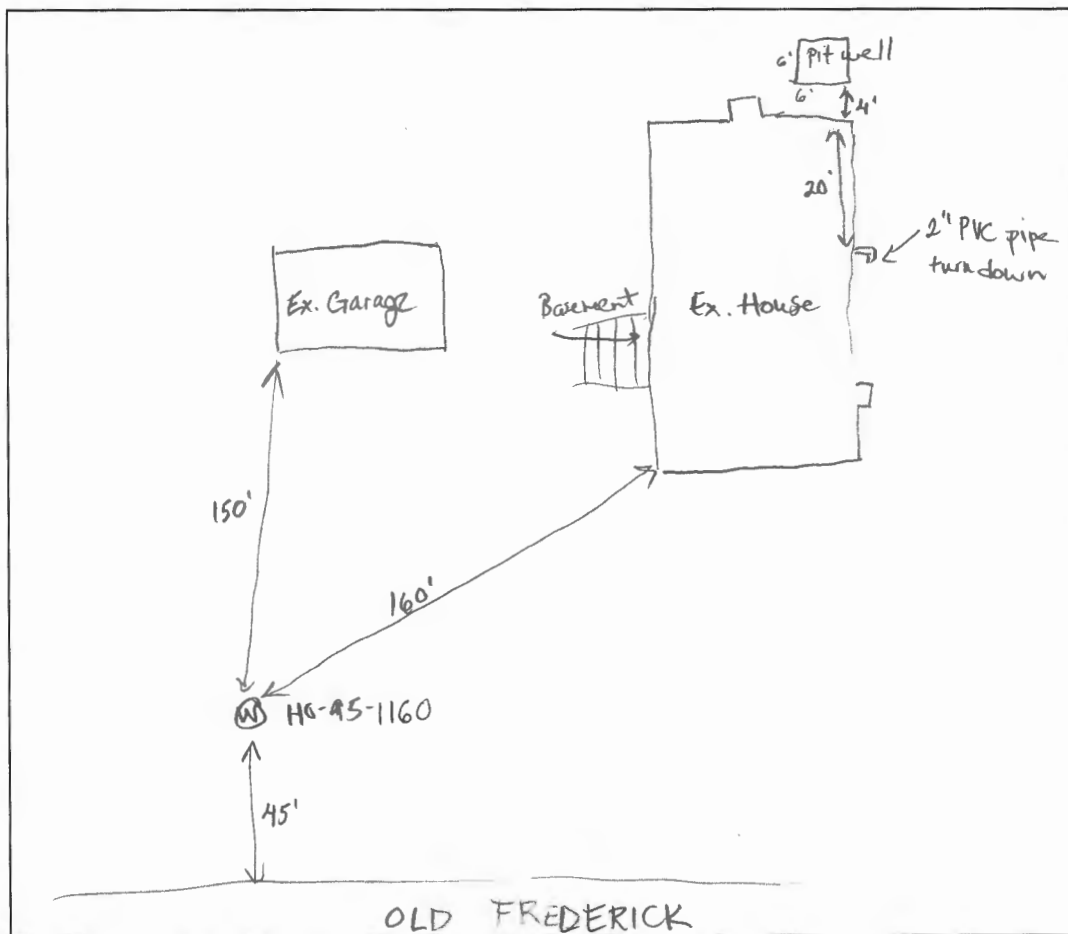

IF ANY WELL OR SEPTIC COMPONENTS ARE FOUND DURING SITE WORK, YOU MUST NOTIFY THIS OFFICE IMMEDIATELY!!
