Re: Drywell Abandonment at 9051 Dunloggin Road, Ellicott City, MD 21042

Dear Mr. Wolf,

This letter is to inform you of the abandonment of the drywell at the above-referenced property. On Monday, February 20, 2012, Zepp Plumbing and Heating filled in an abandoned drywell that had collapsed more than 10 years ago. The homeowner contracted Zepp Plumbing to have it abandoned properly. We filled in the hole half-way with a stone/sand mixture, then added fill-dirt on top. The drywell hole is safe now. The existing house was connected to county sewer approximately 15-25 years ago (cast iron). If you have any questions, please contact me at 410-531-6712.

Sincerely,

Edgar W. Zepp, IV
