Please submit the paperwork for a refund of \$275 to True Contractors who paid \$330 for repair perc testing and a repair septic permit at 13762 Barberrry Way as part of receipt #62005.

True Contractors paid for the testing and permit, but it was subsequently discovered during the initial site visit that the existing septic system was not failing. The homeowner chose to just have an observation pipe installed on the trench. The septic permit was changed to a minor septic repair permit, a \$55 fee, and the remainder may be refunded.
