To Whom It May Concern:

On Monday March 25, 2024 South Carroll Backhoe, Inc. was on site at 2796 Nixon Farm Drive, West Friendship and evaluated the septic system. The septic has one 1000 gallon septic tank, distribution box needs to be replaced. Upper trench 64' long is in like new condition and lower trench is near failing. My suggestion is to change tank out to 1500 gallon 2 compartment and add one 64' trench 2' wide by 8' deep with 4' stone.

Sincerely,

A handwritten signature in cursive script, reading "Kenneth G. Schissler". The signature is written in black ink and is positioned below the word "Sincerely,".

Kenneth G. Schissler, Vice President
