February 3, 2022

To whom it may concern:

I need to modify permit # B21001107 at 5059 Gaithers Chance Dr. The customer decided not to proceed with the 12' x 18' pavilion listed on the permit. This needs to be removed from the description. The landing from the existing porch with steps to grade has been completed.

Thank you,

Robert C Boswell, Jr.  
President, Budding Branch Landscape & Design, Inc.
