In Re: #57089 Building Permit
6759 Cotters Drive
Highland, MD 20879

Dear Ms Corbin:

Please amend our Building Permit
to reflect the following changes:

- A. Footprint of house
Garage: 1. Side entry to Front Entry
2. "Angled" Garage (with Two Doors)
B. Revised plot plan
(Moving "relocating" house further back)

These changes are the result of our
efforts to save a "Great Oak Tree" on
the property.

We have had BRL, WELLS, located
by the engineering firm, Fisher,
Collins and Carter.
